

INTENT TO PURCHASE

How it works

1

Purchase a Ticket

In order to enter the fixed-price draw, you must have either an in-person, online, or proxy ticket and agree to the Conditions of Sale.

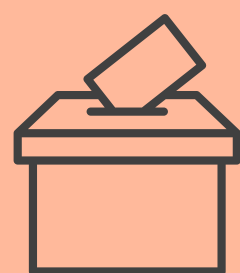

2

Select Your Artwork

Identify which piece (or pieces) you'd like to enter into the drawing to purchase. Pieces are listed at their price (set by the artist). You cannot bid more or less than the listed price.

3

Enter into the Drawing

Follow the instructions for your ticket type (in-person, online, or proxy) to enter your name into the drawing. Once entered you cannot change your mind.

4

Wait for Notification on Sale Night

The randomized drawing will take place at 7 p.m. on Thursday September 17, 2026. Winners will receive an email notification if they are drawn as the purchaser.

5

Submit Payment

Winners will receive a link to their invoice via email, and must submit payment within 72 hours. If you weren't drawn, check out any remaining lots available for immediate purchase on a first-come-first-serve basis.
